(City or town clerk, assistant clerk, or registrar)

MARGIN RESERVED FOR BINDING

Records can only be corrected in accordance with the facts as they actually existed at the time the event occurred. Names that have been changed or subsequently acquired, cannot be the basis for an amendment or correction of the original record, except records of illegitimate persons that have had their names changed by court decree or by adoption or have become legitimate by the marriage of their parents.

Dear Sir,

I send to you four certificates of Marriage requested by you and State Secretary. All of them belong to Palmer. One marriage was under supervision of Palmer police..... which delivered young couple to me to officiate for Three Rivers Priest who was absent at that time. I do not have any record of that marriage as not belong to me.

Sincerely yours,

Aug. 17, 1921
Bondsville, Mass.

TREATMENT REPORT
November 1986

Births
Deaths
Marriages
Vol. C
Belchertown, MA

This book was originally three separate volumes that have been combined. All were disbound and in poor condition.

The book was dismantled and mended with Japanese tissue and methyl cellulose paste. All folios were treated with Wei T'o non-aqueous deacidifier. Weak folios were reinforced with Cerex nylon and Bostik web adhesive.

The book was resewn and backed with linen. Spine adhesive is PVA emulsion. Cover material is goatskin and all boards and flyleaves are acid-free.
